

This is what GSMH is working on for the 2020-2021 season:

- 9 players, plus 1 goaltender (maximum – may be less depending on registration #'s).
- No tryouts will be conducted.
- All players to be split evenly among teams based on skill level. In the absence of tryouts, this will be done by coaches, to the best of their ability, based on skills observed in previous seasons.
- There will be no Midget team.
- All Game Play will be inter-association play. i.e. Georgian Shores teams will play each other as well Osprey for Peewee and below..
- Ice will be ready by the beginning of November in Thornbury and end of October in Meaford
- There are no traditional Rep/Local League teams.
- All players will need their own jersey to start with

## Refund Policy

Due to the uncertainty of the pandemic, refunds will be issued if Minor Hockey is shut down by the OMHA or Municipality. The refund amount will be based on the proceeds that can be recouped from the different entities to whom we pay our fees to.

## Initiation/Preschool Program

The coaches this season will not be able to assist players in the same manner as they have done previously. At this time, we are asking parents who register their child in this program to ensure that their child is able to fall down and get up on their own without assistance.

## Coaches & Trainers

As of Oct 13, we have enough players to create 17 rosters. We will need many coaches and trainers to make this season work.
