

How to run the Time Clock in Thornbury...

Step 1: Turn it on (on the side of the machine)

Step 2: Follow the prompts on the screen:

- NO
- Code is 871
- NO
- Set, time, 2200
- Yes
- Period 1

Step 3: Use the wand to run the time. You may need to wiggle the cord to help with the connection so that the clock runs. It is run time, so just let it run, unless you are asked to stop the time by a referee.

To Keep score (if you wish): Press Home Score, then the number OR press visitor score, then the number

For the 2nd Period, Set, Time, 2200, yes.

Please turn it off when finished.
